

GenR8 was established in 2001 as a single team of five volunteers to bring entertaining presentations with a Christian message to local primary schools. These school presentations are the core of GenR8's work; seeking to combine fun and faith in a relevant and educational way, with songs, puppets, sketches, stories and lots of interaction.

In a typical term GenR8 presents to over 25,000 children. As well as school presentations GenR8 is involved with several other areas of ministry.

Exciting opportunities to volunteer with GenR8 include:

- Primary school presentations
- Inspire Prayer spaces
- Xcellr8 residential weekend for 8-11 year olds
- All-age church services
- It's Your Move - Year 6 transition project

GenR8 has a vision to expand its work by establishing a strong and sustainable ministry amongst children, in both churches and primary schools. Key to achieving this vision is the enabling and equipping of local Christian volunteers.

**What GenR8 volunteers say:**

"It is one of the most worthwhile things I have ever done."

"I enjoyed every minute."

"It's a lot of fun, and so well received by the children."

"It was exciting to be part of the children's journey in finding out more about our God."

"Thanks again for letting me be part of Its Your Move, I really enjoyed myself throughout the week and if you need help again in future years, let me know!"

"I really, really enjoyed the tour and can't wait to see what happens next!"

"I have been part of Xcellr8 for a few years and I look forward to it as much as the children!"

"Whatever your age or ability there is a place for everyone."

"How good it is to tell people about Jesus!"
