GenR8 was established in 2001 as a team of five volunteers who wanted to present entertaining Christian assemblies in primary schools. GenR8 now visits up to 150 schools each term.

What GenR8 volunteers say:

- "It is one of the most worthwhile things I have ever done."
- "The opportunity to get involved was too good to miss!"
- "It's a lot of fun, and so well received by the children."
- "It was exciting to be part of the children's journey in finding out more about our God."
- "I really, really enjoyed the tour and can't wait to see what happens next!"
- "I enjoyed every minute."
- "Whatever your age or ability there is a place for everyone."
- "How good it is to tell people about Jesus!"

What schools say:

- "We're genuinely excited when we know you are coming - extremely professional. An excellent message put across beautifully!"
- "You manage to reduce very difficult subjects to manageable concepts that the children both enjoy and learn from."
- "Fast moving, with good variety. A simple but effective message that engages all children."

"Never doubt that a small group of committed people can change the world. Indeed, it is the only thing that ever has." *Margaret Mead*
